

Defence Christians Dinner 2019

Friday 27 September 2019
“From Duntroon to Dili”

Please join us if you have any association with Defence, as a military member, trainee, civilian, contractor or any interested family and friends, for a good night of food and inspirational speakers.

Everyone is welcome – so why not organise a table?

Keynote speaker: CHAP Gary Stone

Gary started at Duntroon in 1970 and served 22 years as an Infantry Officer seeing service in Fiji & Iran/Iraq before becoming a Chaplain in 1994. Now, after 47 years in uniform, Gary is serving as a Chaplain for veterans and has published an autobiography “*Duntroon to Dili – Mayhem and Miracles, Traumatic stress and Trust in God*”.

Invite your colleagues, friends, people from church or anyone who supports those in the Defence Community. All are welcome.

This is not a fundraising event, it's a night for Christians and anyone else interested, to come together for fun, fellowship and for making new connections for support and friendship. We'd love to see you there!
