

Attention Parents and Grandparents . . .

Do you remember reading this?

September 19, 2015 'our Christian heritage will be taught in our schools' the then Federal Education Minister, Mr Christopher Pyne.

You can check this here for yourself

<https://www.australiancurriculum.edu.au/Search?q=Christian>

Perhaps you should also check with your children if they are being taught about our Christian heritage at their school?

It is very important that our children know and understand the significant contribution of these people in the development of this great nation.

Many people are aware that Christmas and Easter have a Christian connection but are unaware that Mother's and Father's Day as well as ANZAC Day and NAIDOC Week have strong Christian connections also.

Many of those who contributed to the development of this great nation were people of faith. The Australian Constitution and our common law were crafted by people whose concern and compassion for others was motivated by their faith.

There are nine people who adorn our current banknotes and seven

of them have a strong Christian connection. Do you know who they are? What important role models these are for our children to know about?
