God's life giving water

Dear Brothers and Sisters,

Drought and famine are common themes in the Bible, as are God dealing bounteously with His people. There are many types of drought – there is physical drought which many parts of Australia face even today – I know my paddocks are dry, bare and my horses run to me when I turn up to get food. This costs me money to buy feed however as a responsible owner I do not begrudge this however it does cause me to pray more and become more focussed on the blessing He gives us such as a spring which provides necessary water.

In Luke 12:38, Jesus tells his disciples “From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked.” As members of the MCF we have been blessed with much over the years, we have also been entrusted with much. Our relationship with the chaplains, our credibility within Defence as a whole and the blessing of a part-time Staff Worker in Julie.

As we enter a new phase within the MCF-A with over 40 years of service to Defence members and their families behind us, let us not weary of doing good and being willing to continue to support the ministry within Defence. Over the last year many of our costs have increased such as postage, travel, public liability insurance, maintaining the website, some of the Staff Worker costs/insurances. As a result of these pressures we are currently running at a deficit.

Some years ago I challenged the MCF-A Executive that we would embark on a faith journey with our finances and this has provided many surprising moments where often we have had an unexpected extra cost, and after praying about it, an anonymous donor sends in the needed funds. Whether the donor was aware of our need or not I do not know, however I do thank them for listening to the prompting of the Lord.

In our society, and even in Defence, we are suffering a Spiritual drought. In Isaiah 44 we read: *For I will pour water on the thirsty land, and streams on the dry ground; I will pour out my Spirit on your offspring, and my blessing on your descendants. They will spring up like grass in a meadow, like poplar trees by flowing streams. Some will say, 'I belong to the Lord'; others will call themselves by the name of Jacob; still others will write on their hand, 'The Lord's,'*

My prayer is that we all continue to contribute generously to MCF-A enabling God's life giving water to be poured into hearts and souls of the people of Defence, breaking the Spiritual drought, empowering them to be like trees plants by streams of water bringing forth the fruits of the Holy Spirit.

Godspeed

MCF-A 2024/25 tax deductible donations – we need your prayers and help

The MCF-A is a tax deductible charity - donations received over \$2 can be claimed against your tax.

The only government assistance received by MCF is some office space. MCF is run via donations from its members and supporters, and through the generous gifting of Bibles and some of the other Christian material MCF uses. If you wish to financially contribute to supporting and building God's Kingdom in Defence you can do so via direct debit (don't forget to put your name in the reference box), directly out of your pay (don't forget to add your name) or via a donation link. All the info can be found at [Donate - Military Christian Fellowship of Australia \(mcf-a.org.au\)](https://mcf-a.org.au) with instructions for each method under the big green DONATE NOW button. Every \$ counts and adds up, especially if given each month, so don't feel only large donations are sought, but they too are very much appreciated. If every member of MCF-A gave \$10/mth we could look to employ two part-time Staff Workers, or one full time, and meet our other commitments.

A huge thanks to those who have given financially this financial year. If you don't already have your tax receipt one will be emailed to you by the end of July. You can email mcf.office@defence.gov.au if you have any questions.

Please get involved and uplift the Australian Defence Force in prayer. All welcome, ***you don't need to be in Defence to host a gathering.*** It can be in a Small Group, at a Defence Base, in a local Church or school, or by getting a few friends together to pray for these important issues. **You are welcome to organise a time of prayer that works for you and your location.**

Suggested time: Saturday 24th May, 2025 has been nominated as the date for this event, but you are welcome to host an event before or around this time that suits your Base, School or Church situation.

Please register your event, time and location, or if you have questions: mcf.office@defence.gov.au (It is nice for our Military Members to know there are lots of groups praying across Australia.)

Myanmar earthquake appeal

Many of you may be aware of the terrible calamities that have hit Myanmar and Thailand.

I have taken the liberty of forwarding this request to you and your churches seeking your prayers and support for the people in Myanmar and those in Thailand. There are estimated to be about one million Myanmar refugees in Thailand and my dear pastor friend Shane often takes up medical teams from Australia and the Philippines to minister to them.

The current situation is exasperated by the fact that those Christian and dissident Myanmar residents living in Australia (I would believe the same is happening in the USA and around the world) are unable to get back into Myanmar to help their families as they will most likely be arrested, tortured, and maybe put to death.

Could I please invite you to just check out these two clips to give you a much better picture of the horrendous reality of this situation.

<https://www.youtube.com/watch?v=67UVZFiheU8>

This was just after the earthquake.

<https://www.youtube.com/watch?v=BOJBjwVLr14>

This was after an incredible recent storm.

May the Lord guide you and your ministry partners as to how best to respond to this request.

Yours in His mighty service.
